4th Team #6. Stroke Of Luck

A player from the 2nd place team needs to show up at the Wildcard Draw to get their Playoff paperwork and return envelope. If you do not show up in time to get your paperwork, you will need to print your own scoresheet and fill out your own return envelope.

The 3rd and 4th place teams' paperwork will not be at the Wildcard Draw. It will be mailed to their address the same way as it is done in weekly play.

Teams who are past due, have forfeited more than 5 individual matches during the session, or are otherwise deemed ineligible by the League Operator, will not be able to draw in the Wildcard Draw.

If there are 2 teams in the playoffs from the same host location and there is only 1 table available for play on league night, then the team who finished lower in the standings will need to schedule their playoff match at a different host location.
