All Eligible teams must remain active throughout the current league year. Example: Eligible summer teams must play the fall and spring sessions; fall teams must play the spring session. In order for a team to retain their eligibility, at least four members must be "original" members. Example: A team that gains eligibility in the Summer Session must retain four Original members in the Fall and Spring sessions. A team that gains eligibility in the Fall Session must retain four original members in the spring. In addition, once a team becomes eligible, they must finish in the top 50% of their division throughout the current league year. Example: Eligible summer teams must finish in the top 50% of their division in the fall and spring sessions. Eligible fall session teams must finish in the top 50% of their division in the spring session of the current league year. Please read our Local By-Laws under the heading *Eligibility for the most current ruling on how to maintain eligibility in our area.

9 Ball Teams with more than 1 eligibility [\(Contact Local Office for info\)](#)

More than 1 Eligibility enables a team to have a better chance at getting a "bye" at the WPQ. It is not an extra entry into the WPQ. Failing to meet the 50% requirement set forth for all eligible teams in the Official Team manual and further explained in our Local By-Laws will result in loss of all eligibility.
